Meeting Minutes – April 23, 2018

Chelsea made a motion to approve the minutes from April 23, 2018. Lois seconded the motion. All present voted in favor.

Asset Mapping

The skeleton list of the asset mapping was presented to the Resident Team. The Resident Team decided that each member would take the list and add items and definitions of the asset.

Youth Voice Group

Heather gave a report on the progress of developing the youth voice group. The Community Voice staff will be assisting with the Monday Funday on May 14<sup>th</sup> by providing food and assisting to cook. The ones attending will be given information about what the group will be doing and information for parents.

### Welcome Baskets

Materials are here to complete Welcome Baskets. An ad will be placed in the newspaper and with the local Churches. The Town will be asked for names of newcomers. The Town probably cannot give out personal information. Maybe ask for addresses with new residents.

### Membership Invitations

It was pointed out that the bench mark for the coming year was for five (5) new members. It was also discussed that members that would be productive is needed and not members that do not attend regularly. Resident Team members will bring a name of a potential member to the next meeting. It would be important to think of members that have skills that is not currently present on the Resident Team and will be willing attend additional meetings.

### Adjournment

Kim made a motion to adjourn. Lois seconded the motion. All voted in favor.
