**Bureau of Land Management/Forest Service Application for Bike Routes**

Discussion was held about determining the trails that will be used for the bike race and tours and advertising on pertinent webpages. If we want to get on the calendars for the pertinent races or gravel grinder webpages, we need to determine when the race/tour will be and the route.

Discussion was also held to complete the forms for the Bureau of Land Management/Forest Service to be able to use BLM/FS trails if necessary. We will consult with Rick Gersch and use his expertise.

Motion to complete the forms necessary to use BLM/FS trails was made by Shauna Snyder and seconded by Anita Fernandez. All present voted in favor.

**Starting a 501(c)3**

Robbie reported on the process of starting a 501(c)3 with the name of The Community Voice so that the operation can continue after the funding from TCT is complete. CNDC has offered a meeting with CEO, Melinda Higgs. We will make arrangements to meet with Melinda and Emma from CNDC with Shauna Snyder, Robbie Nelson and Ronda Lancaster in the late afternoon of December 16th. Ronda will make the arrangements. Mozhdeh Bruss did add that TCV would need to have a source of funding for the IRS forms that will be required.

## **Dolores County Donation Request**

All present reviewed the donation request received from the Dolores County Manager. It was decided to stick with the vote earlier this year of providing one table.

## **Promotional Items**

Discussion for providing promotional items was added to the agenda by request of Ellen Warren. Ellen Warren had the idea to provide calendars for 2021 for the community. The calendars would be large and have the full year on card stock and would have our information and logo.

The other item would be an outdoor thermometer with or logo. This item would be more for baskets and gifts. It would be a little more protected. We would order fewer of the thermometers.

Shauna Snyder made a motion to go forward with this project. Anita Fernandez seconded the motion. All those present voted in favor.
